Veterans' Land Discount

Per AS 38.05.940, eligible veterans may receive a **25 percent discount** on the purchase of state land. This Veterans' Land Discount may only be used once in an applicant's lifetime.

► Veterans' Discount Qualifications

To be eligible, you must submit proof, acceptable to the department, that you:

1. Are 18 years of age or older at the date of sale;
2. **Have been a resident of the State of Alaska** for a period of not less than one year immediately preceding the date of sale (see Residency Requirement);
3. Have served on active duty in the U.S. armed forces for at least 90 days, unless tenure was shortened due to a service-connected disability or due to receiving an early separation after a tour of duty overseas (use Form DD 214); and
4. Have received an honorable discharge or general discharge under honorable conditions.

For the purposes of this program, armed forces are limited to the United States Army, Navy, Marines, Air Force, and Coast Guard. Service in state National Guard units, the Alaska Territorial Guard, as well as Army, Navy, Marine, and Air Force Reserve service may also be included, provided the applicant can document the accumulation of 90 days of active duty service. A Form DD 214, Report of Separation from Active Duty, or the equivalent, showing the character of the discharge and length of active

duty, must be submitted. You are encouraged to request your Form DD 214 well in advance of the auction.

The Veterans' Land Discount may be applied only to acquisition of surface rights to the land. **It may not be applied to survey and platting costs, or other costs reimbursable to the state.** These reimbursable costs will be subtracted from the purchase price before the discount is calculated. The reimbursable cost per acre or lot is listed in the table below.

If you qualify for the Veterans' Land Discount you must apply for the discount at the time of the award notification. The amount of the discount will be deducted from the principal sum of the sales contract or from the purchase price if the purchase price is paid in full.

For a purchase to be made jointly with another person, both purchasers must be eligible bidders. If both are also eligible veterans, only one 25 percent discount will be given and both veterans will have exhausted their once-in-a-lifetime land discount.

Below is an example of how a Veterans' Land Discount is calculated for a 3.349-acre parcel with reimbursable costs of \$959 per acre; if the bid price were \$14,000.00:

Veterans' Discount Calculation

Per Acre Reimbursable Cost	\$ 959.00
